- Colour camera for best images
- Simple wall-mounted camera with attachable battery pack
- Built-in microphone
- Elegant tripod with telescopic legs
- Full 360 degrees rotatable

Benefits

Now Your XCam2 is completely wireless! Wireless 2.4 GHz technology combined with a wireless power source gives you **unparalleled flexibility!**

Your XCam2's really can go anywhere you want, in every room of your home or office ! Because now, you don't need an outlet to power the camera and transmitter!

With the NEW XCam2 Battery Pack, it's easier than ever to expand your XCam2 wireless A/V system! Now the TV studio that fits in the palm of your hand is **mobile!**

You'll never have to hassle with unplugging your camera and transmitter assembly and lugging it to another room again! Now you have the versatility of a complete **mobile** wireless broadcast video system from as many locations as you need!

The NEW XCam2 Battery Pack is the excuse you've been waiting for to put an XCam2 Sender everywhere you want!

And with the new XCam2 Camera Tripod you can capture the perfect, steady shot with your XCam2 at almost any angle! From top to bottom, this is the ideal XCam2 accessory !!

Attaches in seconds to your XCam2 Battery Pack.

Now your XCam2 view is picture perfect all the time, at every angle! No more precarious balancing acts or rushing to reposition your camera. You get the true view every time !!
